INTRODUCTION

- 1.1 This standard procurement prequalification and registration document has been prepared for use by the public procuring entities in Kenya and is intended for use in prequalifying and registering enterprises wishing to tender for various services and works such as buildings, civil engineering works, large plant, heavy equipment and certain types of **services**, supply and installation contracts where the procuring entity determines it is necessary for procurement to be made through a prequalification and registration process. It may also be used by a procuring entity for the purpose of registration of enterprises.
- 1.2 The standard document includes a form for invitation for prequalification and registration, instructions to enterprises and a letter of application with attached forms for enterprises to complete.
- 1.3 For purposes of simplifying presentation, the document has been written for service and works construction contracts (commonly used). Care should therefore be taken when preparing prequalification and registration document for specific cases to ensure that the prequalification and registration criteria are clear and explicit, and that they refer to the needs and characteristics of the specific procurement. For this purpose where appropriate, “Works” should be substituted by “Equipment” or “Plant” as the case may be and “**Contractor**” should be replaced with “**Service provider**”, “Supplier” or “Manufacturer” as the case may be.
- 1.4 The following directions should be observed when using the standard procurement prequalification and registration document.
 - (a) The forms **will** require adaptation to suit the requirement of each proposed procurement
 - (b) specific details, such as the names of the procuring entity should be furnished in the spaces indicated in the text.
 - (c) Where alternative clauses or texts are shown, the user **should select** those that best suit the particular contract and should discard the alternative text that will not apply.
 - (d) The instructions to enterprises **should basically remain unchanged**. Any necessary amendments to any clause or additions should be made through Appendix to instructions to enterprises.
- 1.5 The notes in the text of the prequalification and registration documents are meant to assist the procuring entity in the preparation of the document. They are not part of the prequalification and registration document and should therefore be deleted as the document is prepared.
- 1.6 The cover of the tender document should be modified to include:

- i. Tender number.
- ii. Tender name.
- iii. Name of procuring entity.
- iv. Delete name and address of PPOA.

2.5 Joint Venture

2.5.1 Joint ventures must comply with the following:-

- (a) Following are the minimum qualification requirements.
 - (i) The lead partner shall meet not less than 90% of all the qualifying criteria in paragraphs 2.4.3 above.
 - (ii) The other partners shall also meet individually not less than 80% of all the qualifying criteria given in para. 2.4.3 above.
 - (iii) The joint venture must satisfy collectively the criteria of 2.4.3 above for which propose the relevant figures for each of the partners shall be added together to arrive at the joint ventures total capacity.
- (b) The formation of a joint venture after pre-qualification and any change in a prequalified joint venture will be subject to the written approval of the procuring entity prior to the deadline for submission of bids. Such approval may be denied if (i) partners withdraw from a joint venture and the remaining partners do not meet the qualifying requirements (ii) the new partners to a joint venture are not qualified, individually or as an another joint venture; or (iii) in the opinion of the procuring entity a substantial reduction in competition may result.
- (c) Any future bid shall be signed so as to legally bind all partners, jointly and severally, and any bid shall be submitted with a copy of the joint venture agreement providing the joint and several liability with respect to the contract.

2.5.2 The pre-qualification of a joint venture does not necessarily pre qualify any of its members individually as a member in any other joint venture or association. In case of dissolution of a joint venture, each one of the constituent firms may prequalify if it meets all the prequalification and registration requirements, subject to a written approval of the procuring entity

2.6 Public Sector companies

2.6.1 Any public owned enterprise may be eligible to qualify if, in addition to meeting all the above requirements, it is also legally and financially autonomous, it operates under commercial law, and it is not a dependent agency of another public entity.

2.7. Conflict of Interest

2.7.1 The applicant (including all members of a joint venture) shall not be associated, nor have been associated in the past, with the consultant or any other entity that has prepared the design, specifications, and other prequalification and registration and bidding documents for the project, or with an entity that was proposed as engineer for the contract. Any such association must be disclosed and may result in the dis-qualification of the applicant.

2.8. Updating Pre-qualification Information

- 2.8.1 Pre qualified enterprises shall be required to update the financial information used for pre qualification at the time of submitting their bids and to confirm their continued compliance with the qualification criteria. A bid shall be rejected if the applicant's qualification thresholds are no longer met at the time of bidding.

APPENDIX TO INSTRUCTIONS TO ENTERPRISES

Notes on the appendix to instructions to Enterprises

1. The appendix to enterprises to tenderers is intended to assist the procuring entity in providing specific information which may not be adequately covered by the clauses in the instructions to enterprises.
2. The appendix may amend any information in the instructions to enterprises.
3. The procuring entity should use the appendix to ensure that all relevant information to the enterprises relating to a particular pre qualification is included.

APPENDIX TO INSTRUCTIONS TO ENTERPRISES

The following instructions for the pre qualification of enterprises shall supplement, complement or amend the provisions of the instructions to enterprises.

Where there is a conflict between the provisions of the instructions to enterprises and the provisions of the appendix, the provisions of the appendix herein shall prevail over those of the instructions to the enterprises.

Note

To be completed appropriately by the procuring entity. Reference will be made to the relevant clause of the Instructions to Enterprises.
