------------------------	---	------------------------------

Agendas:

1. Preliminaries
2. Review of The Citizen Fora
3. Investment Prioritization

The meeting started at 3.00 p.m with a word of prayer led by Mr. Sammy Nene.

Minute 2. Review of Citizen Fora

- The chairman welcomed all members present in the meeting and thanked them for their commitment and support they showed during the public participation forum.
- The manager gave his opening remark by emphasizing the importance of team work for the success of the municipality and took the board members through the proposed projects as given during the citizen participation forum.

Minute 3. Investment Prioritization.

After thorough deliberations the Municipal board prioritized the following projects:

- Improvement to Bitumen standard of Mukuru road from Law Courts- highway at Kamandura, Market road loop and beautification of Limuru garden (opposite Njiwa bookshop)

- Improvement of road, drainage and street lights in Nyambari Town Center and milk plant
- Improvement of Soko Mjinga and Ngecha markets
- Improvement of Kimende Sewer system
- Installation of street lighting in Kwambira, Tiekunu and Makutano in Ndeiya.

The meeting ended at 6.00 p.m with a word of prayer led by Ms. Anne Kamiti.
