406100000 COUNTY ASSEMBLY

Part A. Vision

To be a vibrant, value oriented, quality driven and people responsive County Assembly in Kenya

Part B. Mission

Transformative, efficient, effective and democratic discharge of representation, legislative, and oversight mandates.

Part C. Performance Overview and Background for Programmes Funding

The County Assembly is the main legislative organ of the county government. The main functions/mandate of the county assembly is to legislate, oversight over the county executive and any other county organs as well as representation of people in the County government.

During the MTEF 2020/21 – 2022/23 period the County Assembly of Kiambu approved budget was Kshs. 1.299 Billion, Kshs. 1,498 Billion and Kshs.1.528 Billion for Financial years 2020/2021, 2021/2022, and 2022/2023 respectively. The actual expenditures were Kshs. 1.094 Billion, Kshs. 1.242 Billion and Kshs.1.186 Billion for Financial years 2020/2021, 2021/2022, and 2022/2023 respectively. The actual expenditures were Kshs. 1.094 Billion, Kshs. 1.242 Billion and Kshs.1.186 Billion for Financial years 2020/2021, 2021/2022, and 2022/2023 respectively.

The major achievements based on the planned outputs/services for the MTEF period 2020/21 – 2022/23 budget were; enactment of legislations, oversight on utilization of public resources, capacity building for both honorable members and staff of the County Assembly, enhancement of governance in public service, conducting of public hearings, among others.

The main challenges faced during the period under review were delayed and undisbursed exchequer releases; late implementation of capital projects, and the effects of the global economic crisis.

For the MTEF period 2024/25 - 2026/27 the Assembly requires funding to execute its mandate effectively and efficiently. Some major services/outputs expected will include: construction of ward offices, construction of Assembly's office block, enactment of Bills, capacity building for

Members of County Assembly and staff, enhanced public participation and development and review of management policies.

| Programme | Objective | | | |
|---------------------------|---|--|--|--|
| General Administration, | To enhance professionalism, build human resource capacity | | | |
| Planning and | and provide effective services | | | |
| support Services | to the Legislature to enable it meet its Constitutional mandate | | | |
| | To strengthen the capacity of Members of County Assembly | | | |
| Legislation and Oversight | to make laws and enhance | | | |
| | their representative capacity | | | |
| | To strengthen the capacity of the making and oversight of the | | | |
| | county Budget for optimal | | | |
| | use of Public Resources and enhanced accountability in | | | |
| | governance | | | |
| | To strengthen the capacity of Members of County Assembly | | | |
| | enhance | | | |
| Representation services | their representative capacity | | | |

406200000 COUNTY EXECUTIVE

Part A. Vision

Excellence in County leadership for a competitive and a prosperous County

Part B. Mission

To provide overall policy and leadership direction in the management of public affairs for the

Prosperity of the County

Part C. Performance Overview and Rationale Funding

The County Executive mandate is to provide overall policy and strategic leadership direction for county development.

During the period under review, 2020/21-2022/23 the County Executive held a total of 32 county committee meetings, three collaboration and cooperation meetings with other counties issued 13 circulars ,35 memos and agendas. The county executive was also involved in the issuance of 30 policy guidelines and statements. Further, the county executive through the office of the County Attorney drafted 3 bills which were assented by the County Assembly and additionally, 176 and 22 cases were represented in court and arbitrated upon respectively. There was continuous professional development training for 20 advocates. The department also operationalized the office of the county Attorney and relocated from Thika to Red Nova Offices.

During the period under review, the department faced several challenges that affected budget implementation. Some of the major challenges include;

- Accumulated Pending Bills
- Inadequate policies and legal framework which undermines the ability of the County government to adequately execute its mandates
- Inadequate funding
- Weak Monitoring and Evaluation System
- Inadequate ICT Infrastructure resulting in slow down service delivery
- Low levels of awareness of the county plans, Acts and policies by the community

To address the above challenges the department recommends the following:

- a) Augment ceiling for the sector: Consideration should be made by County Assembly, to increase the ceiling for the Sector to comprehensively cater for its programmes.
- b) Strengthening monitoring and evaluation: Subsectors should put into place M&E structures to support effective monitoring of programmes and build capacity for monitoring and reporting. In addition, institutions with oversight functions on financial and governance issues should be strengthened to address the increased concerns as reflected in audit and other relevant reports.
- c) Legal frameworks for the Sector: Sector institutions should maintain consistent follow up on legislation touching on their mandates including lobbying with Assembly for speedy consideration.
- d) Enhancing ICT Capacity: In recognition of the increasing importance of ICT in government operations, subsectors should provide adequate funding for improving ICT infrastructure and skills development. Subsectors should work closely with the ICT department in this regard.
- e) Enhancing stakeholders' participation in Sector programmes: The subsectors should establish structures for engaging stakeholders and sensitize the public on the importance of participation and their expected roles. Subsectors should also explore areas of potential collaboration with the private sector in implementation of their programmes under the Public Private Partnership framework.
- f) Improving the management of pending bills: The subsectors should undertake progressive monitoring of budget execution in all quarters to identify areas that may result to pending bills and take mitigating actions. The above recommendations will require formulation of specific actions by various actors. In this regard, it is expected that all the actors and in particular the respective subsectors in the sector will include - in their annual work plans - appropriate measures to actualize the recommendations.

In the MTEF period 2024 /2025 -2026/27 the County executive plans to give policy direction, guidelines and policy statements through executive committee meetings, executive committee papers, circulars, security interventions in collaboration with national government and give legal representation. The department will also oversee development of bills that will be assented by the County Assembly for implementation and conduct public participation and civic education.

Part D: Strategic Objectives

| | Programme | Objective |
|---|--|--|
| 1 | General Administration, planning and Support services | To provide effective and efficient public service delivery for enhanced governance and accountability |
| 2 | Government Advisory Services | To ensure compliance with the set of laws, regulations and procedures |

406300000 County Public Service Board

Part A. Vision

To be a leading agency of excellence in County Public Service, Management and Development.

Part B. Mission

To provide policy direction in human resource management and development, to advice on appropriate organization structures, initiate and coordinate human resource reforms to improve on service delivery in the public county service for sustainable social economic development.

Part C. Performance Overview and Rationale Funding.

i. Departments mandate.

Section 59(1) of the County Governments Act stipulates the mandate of County Public Service Board is to:

- Establish and abolish offices in the County Public Service.
- Appoint persons to hold or act in offices of the County Public Service.
- Exercise disciplinary control over, and remove, persons holding or acting in those offices.
- Prepare regular reports for submission to the County assembly on the execution of the functions of the Board.
- Promote in the county public service the values and principles referred to in Articles 10 and 232.
- Evaluate and report to the County Assembly on the extent to which the values and principles referred to in Articles 10 and 232 are complied with in the County Public Service;
- Facilitate the development of coherent, integrated human resource planning and budgeting for personnel emoluments in counties.
- Advise the County Government on human resource management and development.
- Advise the County Government on implementation and monitoring of the national performance management system in counties.
- Make recommendations to the Salaries and Remuneration Commission, on behalf of the County Government, on the remuneration, pensions and gratuities for County Public Service employees.

ii. Performance Review for FY 2020/2021- 2022/2023.

In the period under review, the Board has continued to make deliberate and concerted effort in the exercise of its statutory mandate and in service to the County Government. Some of the notable achievements are as listed below:

- a. The Board undertook recruitment of officers in various departments in line with their respective staff establishment.
- b. The Board considered and approved promotion of officers in various cadres across the county public service.
- c. The Board, though its Governance, Ethics and Discipline committee considered and resolved on disciplinary cases forwarded by the departments.
- d. Issuance of advisory circulars to the County Executive meant to guide and ensure adherence of sound human resource management practices.
- e. Development of various policy documents and instruments for efficient and effective discharge of the mandate. The following documents await publishing.
 - i Discipline Policy
 - ii Strategic plan and work plan;
 - iii Board Charter.
 - iv Delegation Instruments
 - v Performance management policy
 - vi Recruitment and selection policy
 - vii Internship/Attachment policy
- f. Monitoring through field visits and spot checks in County Government Health Facilities and ECDE centers to assess the extent to which Articles 10 and 232 are adhered to in regards to service delivery to the public.

iii. Constraints and challenges and how they are being addressed.

a) Delayed Recruitment

Due to financial constraints in the County, the Board is unable to recruit optimally especially in the department of Health Services. This is a major draw-back to adequate staffing. It has had adverse negative effects in effective and efficient service delivery.

b) Wage Bill

Study on County Compliance findings and Advisories done by the Salaries & Remuneration Commission, reviewed that Kiambu County Governments Total Wage Bill

to Revenue Ratio is 43% which is beyond the 35% threshold recommended by the Finance Management Act, 2012.

c) Inadequate Funding & Absence of Financial Autonomy

Inadequate funding continues to adversely affect implementation of planned Human Resource development programmes and activities. The Board has been forced to scale down and postpone many important Human Resource programmes which ultimately curtail service delivery to the public.

Some of the implications of the reduced budgetary provisions are as follows:

- Increased workload on manual processes prone to fault
- Reduced provisions for staff training and development
- Inadequate office and operational equipment and facilities
- Inadequate transport
- Reduced media exposure for our job advertisement

The above implications may impact negatively on efficient and effective service delivery. The Board requests the Government and County Assembly to consider allocating more funding to the Board to facilitate HR development, performance management and also to enhance the capacity of its members and staff.

d). Pending Bills

The Board has pending bills which have accumulated over time due to failure by the County Treasury to prioritize their payments despite this being factored in the budget. This delayed payment has negatively affected procurement of goods and services as vendors are reluctant to supply.

e. Limited Office Space and Storage Facilities.

The Board has limited office space for the Board Secretariat. The work environment is not conducive. There is need for more office space.

Section 68 of the County Government Act 2012 states that "subject to the relevant legislation, the County Public Service Board shall for a specified period, maintain a record of all applications received in response to advertisements, job applications and such records may be inspected by any person'. The applications, Interviews, and other Board records, are accumulating and posing challenge of storage due to limited office

space. The Board is considering digitizing and archiving its records in future subject to availability of funds.

- **f.** Lack of awareness of the various HR Policies and Procedures. There exists inadequate knowledge and understanding by the general staff on the various HR policies and procedures. This result to most of the staff faulting the regulations eventually making the public service transformation agenda difficult.
- **g.**) Limited Number of Applicants among the People Living with Disability Category The Board advertises all positions widely, in the newspapers, County website and notice boards. PLWDs and non-dominant communities are specifically encouraged to apply. However, despite this effort, very few candidates in these categories of people apply and those who apply have limited qualifications and experience, posing a challenge in attaining the threshold of 5% and one third progressively required by the Constitution. The Board will continue to liaise with the association of physically disabled persons to ensure the information reaches the PLWDs.

h. Challenges in Reward and Performance Management;

There exist disparities in remuneration between former local authority staff, those seconded from national government and those recruited by the Board. These disparities have led to low morale among affected staff. While this was addressed by the Salaries and Remuneration Commission, it was not to the satisfaction of all the employees. Under the circumstances the matter can only be addressed fully through natural attrition.

iv) Major services and outputs to be provided for in the MTEF budget period 2024/25-2026/27.

During the MTEF period 2023/24-2025/26, the CPSB plans to establish undertake its various mandates and also in specific , roll out an E- Board system, develop a HR master plan, update HR competency framework and resolve disciplinary cases. The Board also intends to compile and submit compliance report on the level of compliance to principles and values, hold consultative meetings with stakeholders, carry out payroll audit, hold staff participation meetings and conduct training.

Part D. Programme Objectives/ Overall Outcome

| | Programme | Objective |
|---|-----------------------------------|---|
| 1 | Administration and Human Resource | To improve service delivery through increased productivity of |
| | Planning | human resources. |

406400000 FINANCE, ICT AND ECONOMIC PLANNING

Part A: Vision

A strategic leader in resource mobilization, economic planning and prudent public financial management

Part B: Mission

To offer effective and efficient services in resource mobilization, public finance management, coordination, economic planning and development for a safe and harmonious county.

Part C: Performance Overview and Rational for Funding

The department mandate is to facilitate and coordinate the county revenue collection, economic planning, budgeting process and ICT services which will heed in implementation of departmental policies. It is also responsible for the preparation of annual estimates of revenues and expenditures including the preparation of supplementary estimates and management of fiscal policies. The department also ensures that external resources (grants, loans, donations) are effectively mobilized, disbursed, effectively utilized and that there is prudent public debt management. On the other hand, the department coordinates timely collection of statistical data which is needed for proper planning, budget implementation, monitoring and evaluation purposes.

During the MTEF period FY 2020/21 – 2022/23, the department prepared the following documents: County Integrated Development Plan 2022/2023 2027/2028(CIDP), county annual development plans, and monitoring and evaluation reports. Similarly, annual budget estimates, supplementary budgets, county fiscal strategy papers ,county budget review and outlook papers and audit reports were prepared as well as offered leadership to the county on matters of financial management.

Some of the key challenges faced by the department during the period under review includes; delayed exchequer disbursement, missed Own Source Revenue targets to fund priority areas, inadequate staffing in some of its directorates and huge pending bills which affected funding for prioritized programmes among others.

During the 2024/25-2026/27 MTEF period, the department plans to implement 3 programmes namely; general administration planning and support services, public finance management

services and ICT services. The programmes will focus on improving service delivery and prudence management of public resources through; training of staff of various cadres, preparation of various reports such as budgets, audit, cash flow management and expenditure reports. In addition, the department, will also ensure coordinated of planning, policy formulation, tracking of results through, monitoring & evaluation, timely preparation of policy documents and procurement plans. The department aims at allocating more budget towards development projects and engaging the public in financial matters. Under the ICT directorate, the department plans to have a welldeveloped ICT infrastructure through; development of modern solar powered data centers and ICT incubation centers, adoption of integrated management systems and equipping of office blocks with internet and CCTVs

| Programme | Objective |
|---|---|
| P1 General Administration, Planning & Support Services | To improve service delivery. |
| P2 Public Finance Management Services | To ensure prudent utilization of public resources |
| P3 ICT Services | Development of a vibrant ICT infrastructure and establishment of a functional and dynamic information management system |

406700000 WATER, ENVIRONMENT, ENERGY AND NATURAL RESOURCES

Part A: Vision

The department envisions a clean, water-secure and low-carbon county whose residents are empowered to conserve and safeguard the natural resources.

Part B: Mission

The department is committed to promoting environmental sustainability in terms of water, waste management, efficient use and conservation of natural resources in order to minimize the county's carbon footprint.

Part C: Performance overview and Rationale Funding

i. Brief Description of Mandate

The Department of Water, Environment, Energy and Natural Resources (WEENR) comprises of four directorates namely; Water and Sanitation, Natural Resources and Forestry, Environment and Waste Management and Renewable Energy and Climate Change. The mandate of the department is to ensure provision of water and sanitation services, environmental protection and management, conservation of natural resources, reduction of carbon emissions and enhance resilience to impacts of climate change. Further, the department has the mandate to formulate, implement and review, legislations, policies and plans and to also establish institutional framework for executing its mandate. The programmes in this department support the main productive sectors namely; Agriculture, Tourism, Housing, Energy, and Manufacturing. It also has direct and indirect linkages with all other sectors of the economy thus promoting socio-economic development geared towards the realization of the Kenya Vision 2030, relevant Sustainable Development Goals (SDGs), and various multilateral agreements relating to the sector.

ii. Departmental Performance Review including major achievements for the Period 2020/21-2022/23;

During the 2020/2021-2022/23 MTEF review period, the department implemented five programmes namely; General administration planning and support services, water resources management and sanitation, environment management, protection and compliance, natural resources forest conservation and management and climate change mitigation and adaptation. The directorate of water and sanitation in collaboration with the Water Service Providers (WSPs) developed the Kiambu County Water Investment Plan (2021-2025) to guide and plan the development of water-related infrastructure. Through

financing from the county, AWWDA, NAMSIP, and the WSPs, 47 boreholes were drilled, equipped and/or operationalized, spring sources developed, and a composite filtration unit (CFU) developed and installed providing an additional 21,354m3/day. To increase access to water services in unserved areas, over 700 KMs of pipelines were procured and laid across the County extending water coverage countywide. Storage tanks were also constructed/rehabilitated totaling an additional 2,513m3 which were financed by the county, WSPs, and AWWDA.

To reduce non-revenue water (NRW) in the WSPs, the directorate offered technical support in mapping and digitizing the water and sanitation services infrastructures and supplied 2,042 meters of pipeline to the WSPs. Additionally, the WSPs increased access to sewerage services by laying and extending sewer pipelines across the county. To increase access to public sanitation facilities (PSF), PSF was constructed and dilapidated toilets were rehabilitated. The water and sewer connectivity increased, thereby benefiting at least 76,390 people who were connected to water and 10,860 who were connected to sewer.

To increase environmental awareness, the directorate of environment and solid waste conducted over 100 trainings mainly during the county and community collective monthly clean up exercises and established five eco schools. The county increased the capacity to manage waste (collection, transport and disposal) in terms of human resources by engaging 223 casuals and equipment through procurement of 2 dump trucks, 41 tripple litter bins, 125 single litter bins, one excavator, one bulldozer (KOMATSU) and a high pressure washing machine through JICA and servicing of all 46 solid waste disposal equipment and machinery.

To increase tree cover and sustainable management of natural resources, the directorate;Raised 395,248 tree seedlings, flowers and fruits in our Thika and Kiambu tree nurseries. Also, grew about 267,379 tree seedlings in 87 schools, polytechnics, chiefs' camps, dispensary, police station compound, estates and farmers across the County. In collaboration with WSPs, the directorate Secured and protected 14 rivers, 4 Dams and 1 wetland by growing 90,066 water friendly trees i.e. Kamiti, Theta, Mbagathi, Ndarugu, Mukuyu, Bathi, Karatina, Gatharaini, Kiu, Ruiru, Gatamaiyu, Chania, Wathigitoni and Nduriri rivers. Dams such as Kareminu dam, Ite dam, Theta dam and Sasumwa dam and 1 wetland (Ondiri Swamp). It held a Multi stakeholders meeting in Kinale water catchment area and discussed the importance of protecting and conserving water sources especially source of Kareminu, Bathi, Gatamaiyu rivers among others. It conducted reconnaissance survey and 6 sensitization meetings on conservation issues in Mukuyu, Theta, Ondiri along Kabuthi, Ruiru, Gatharaini, Kamiti and Kiu rivers with about

165 riparian land owners, identified issues affecting these rivers and provided advise on measures to be taken. Further the directorate established and maintained public parks, gardens, County office compounds and green spaces such as Kiambu county HQ, Red-Nova office, Christina Garden, Moi Garden, Mugumoini garden, Mama Ngina Garden, Starehe garden and 7 roundabouts in Thika town. In partnership with RUJUWASCO, the directorate has backfilled a quarry in Kibendera and established a tree nursery.

Additionally, developed a Watershed Management Action Plan in partnership with Kiambu County water utilities. It provided forestry extension services within the county e.g. pruning trees, advising on the right tree species to grow among others. Issued 44 Quarrying invoices and certificates to 44 quarries in Juja and Thika Sub counties. Also, developed the Kiambu County Sustainable Forest Management and Tree Growing first draft Policy. Mapped and updated quarries database totalling to 44 quarries in Juja and Thika subcounty. In collaboration with KEFRI, completed soil sampling along Kenyatta Road and identified right trees species to be grown along the roads.

To understand the energy needs and use in Kiambu, the directorate of Energy and Climate Change, undertook an energy needs assessment in learning institutions, health facilities, and informal settlements and undertook a sustainability audit in 12 sub counties. Under the Sustainable Energy Technical Assistance (SETA) project the directorate initiated the formulation of County Energy Plan (CEP). Equally, it developed the Kiambu County Climate Change Bill which was enacted in November 2021; draft Kiambu County Climate Change Fund, Regulations, 2021, and draft County Climate Change Policy. In addition, it undertook sensitization workshops on climate change mainstreaming in county development plans, budgetary processes and operations for county staff. Also, it coordinated and participated in 7th Annual Devolution Conference which was on climate action. The directorate conducted Participatory County Climate Risk Assessment (PCRA) and climate action planning approaches under Kenya's Financing Locally Led Climate Action (FLLoCA) Program.

iii. Constraints and challenges in budget implementation and how they are being addressed;

• **Resources challenges-**Inadequate technical personnel i.e. County Forest Officers, Renewable Energy and Climate Change personnel, Casuals and water engineers. The department will seek

to recruit additional staff by replacing retired staff to enable the effective implementation of programmes.

-There has been inadequate field-based vehicles to facilitate field work for the department hampering effective implementation of projects and programmes. The directorates will procure vehicles to facilitate field work on implementation of projects and programmes.

- Lean budgetary allocation Lobby for increased budgetary allocation to meet the needs as well as seek additional financing from national government agencies and development partners.
- Accumulated pending bills- Timely payment of pending bills to motivate service providers and contractors to continue offering the required services and responding to requests for tenders and quotations. Pending bills will be paid on aging basis as recommended by the Auditor General.
- Lack of a database management system at a sector level- The department will enhance capacity and systems on data management as well as strengthen Monitoring and Evaluation systems.
- iv. Major services/outputs to be provided in MTEF period 2024/2025-2026/2027 Medium Term Budget

In the MTEF period 2024/25-2026/27, the directorate of water and sanitation plans to, provide adequate, affordable, safe, clean water and sanitation services by ensuring boreholes are drilled, equipped and operationalized in a bid to realize the 'Maji Nyumbani' Program as outlined in the governor's manifesto. In addition, it plans to map and digitize water infrastructures and assets, support water utilities as well as developing policies, plans and strategies. It will further, promote water harvesting, desilt dams, rehabilitate intake and increase the amount of water injected into the supply system and constructing a composite filtration unit (CFU) to offer more water supply. Further, plastic tanks will be procured and supplied to institutions and special groups, as well as constructing ground and elevated 1000m3 storage tanks. In a bid to increase access to water services in unserved areas and extend water coverage county-wide, the directorate will procure and lay pipes across the county. It will also scale up the sanitation issues by constructing and rehabilitating public sanitation facilities to increase accessibility.

To enhance a clean environment, the directorate of environment and waste management in the MTEF period plans to prioritize the implementation of environmental and solid waste management conservation programs which will include; monthly collective community effort to clean up wards, develop policies, plans, strategies, and bills; establish eco-schools, hold awareness campaigns, and

conduct environmental training and research on solid waste management besides ensuring environmental compliance and enforcement.

Further, the directorate plans to establish a sustainable waste collection and transportation system, support extended producer responsibility, promote and support circular economy towards zero waste to landfill, establish Kangoki full scale landfill, and establish material recovery facilities. It will also establish a composting facility, introduce waste segregation in our markets for two fractions (organic/inorganic), as well as improvement of Kangóki access roads and construction of skips platforms. To reduce the carbon emissions, the county shall reduce air and water pollution by procuring noise meters, establish bio digestion for waste to energy and soil regeneration. Further, it intends to adopt and promote Artificial intelligence in waste management and expand partnerships for sustainable development of waste management infrastructure. Additionally, it will procure and repair solid waste management equipment and machineries among others.

To increase forest cover and sustainable management of natural resources, the natural resources and forestry directorate plans to develop the natural resources and forestry policy which will guide environmental conservation efforts in the county. Building on this, the directorate plans to continue raising seedlings in schools, health facilities and churches. It plans to conserve green public spaces by maintaining parks, gardens, and planting trees in public areas. Further, the directorate plans to create a database for green spaces and update the database on quarries and minerals as well as conserve water catchment areas and grow trees.

In order to deliver locally-led climate resilience actions and strengthen National and County Governments' capacity to manage climate risks, the National Government in collaboration with Development Partners developed an innovative Financing Locally-led climate Action (FLLoCA) Program. The Program is designed to encourage cross-agency collaboration and vertical linkages from community level up to national level in addressing climate change. The programme is supporting counties to put in place participative climate change policy and legislative frameworks in order to be able to access pooled finance to support implementation of locally-led climate actions. The County Government shall adopt e-mobility as a high-priority intervention to address the challenges of pollution, adverse health effects and fuel costs which raise the cost of living. To promote the use of renewable energy, mitigate against climate change and reduce vulnerability to the impacts of climate change, the directorate plans to formulate policies, bills, and regulations on renewable energy and climate change, increase the uptake of different sources of renewable energy county wide as well as increase awareness of renewable energy and climate change to Kiambu residents on how to switch to clean cooking technologies. To enhance service delivery, the department plans to construct and renovate offices, and recruit, train, and register staff in the department to various professional bodies and to allocate money to personal emoluments and O&M.

Part D: Strategic Objectives

Programmes and their objectives

- Administration, Planning and Support Services- To enhance and improve service delivery
- Environment Management ,Protection and compliance- To enhance a clean and healthy environment
- Water Resources Management and Sanitation Services- To provide adequate, affordable, safe clean water and sanitation services
- Natural Resources ,Forest Conservation and Management-To increase tree cover and sustainable management of natural resources
- Climate Change mitigation and adaptation- To Promote the use of renewable energy, mitigate against climate change and reduce vulnerability to impacts of climate change.

406800000 HEALTH SERVICES

Part A: Vision

An efficient and cost effective public, medical care system for a healthy county

PART B. Mission

To promote and participate in the provision of integrated and high quality curative and preventive services to all

PART C: performance overview and Rationale Funding

i. Mandates

Mandates of the Health subsector are derived from Schedule 4, Section 2 of the Constitution,

which assigns County Government the following functions:

- a) County health facilities and pharmacies
- b) Ambulance services
- c) Promotion of Primary Health Care
- d) Licensing and control of undertakings that sell food to the public
- e) Veterinary services (excluding regulation of the profession)
- f) Cemeteries, funeral parlors and crematories
- g) Refuse removal, refuse dumps, and solid waste disposal
- h) Nutrition and Dietetics

ii. Departmental Performance review and achievements for period 2020/21-2022/23.

1. Administration, Planning and Support Service

Under this programme, the department managed to ensure effective and efficient health service delivery across the county through;

- Renovation and face lifting of Lusigetti, Igegania level 4 hospital and Limuru health center. OPD facility was also renovated. The laboratories units of Muchatha dispensary at Muchatha ward in Kiambaa and of Gatundu level 5 hospital at Ng'enda ward in Gatundu south were also renovated and are in use.
- Completion of construction of ablution blocks of Kamuchege dispensary at Kamburu ward in Lari sub-county, and of Karia health center at Ikinu ward in Githunguri Sub-county. Construction of Covered walkways at Ruiru level 4 hospital was also completed

- Promotion of HRH who were due for promotion.
- Purchasing of facilities, supplies, and equipment to respond to the COVID-19 pandemic.
- Expanding of the bed capacity in most facilities.
- Support supervision by CHMT actualized over 100% amplified infrastructure and COVID-19 activities. 56 facilities were supervised by CHMT during infrastructure assessments and COVID-19 supervisions through health infrastructure/CHMT visits.
- Provision of 6 specialized trauma evacuation ambulances.
- Carrying out a training on Integrated Management of Acute Malnutrition.
- 80% of TB sites done through OJT.

2. Curative and Rehabilitative Services

Under this programme, the department managed to promote curative health services across the county through;

- Enhancement of health care service delivery across the county by providing all the health facilities with the required non-pharmaceutical, cleansing, and sanitary commodities.
- Establishment of a fully functional dental clinic at Thika level 5 with assorted medical specialists. The hospital is also an internship center for dental surgeons. Other dental clinics are in Kiambu Level 5, Lari Level 4, Tigoni Level 4, Wangige Level 4, and Kihara. A new fully equipped dental unit in Ruiru Level 4 has also been commissioned through PPP with NIBS College.
- Setting and equipping of a palliative care center at Ruiru level 4 hospital.
- Provision of equipment's for small labs. 85% of Laboratories also received lab reagents.
- The department received donations for Pulse Oximeters for assessing Oxygen saturation in the management of Pneumonia.
- Putting in place quality assurance systems in the laboratories.
- Provision of primary diagnostic services with a digital X-ray machine, which are offered at Kigumo Level 4 Hospital.
- Provision of critical care services which are available in the county; great achievement with ICU/HDU Centers.
- Provision of oxygen concentrators which are available at all level 5s and Tigoni level 4 hospital.

- Establishment of NCD centers in all 12 Sub-Counties.
- Provision of nutrition service equipment to 70% of county facilities.
- Scaling up integrated health services in Tigoni level 4 hospital. The hospital no longer has a coved 19 isolation unit
- Commission of a county pharmaceutical store in Ruiru, whose construction is ongoing. The store will also serve as a production unit for non-pharmaceuticals such as sanitizers.
- Opening of a new wing at Wangige level 4 hospital.

3. County Pharmaceutical Service

Under this programme, the department managed to offer quality pharmaceutical care services across the county through;

- Establishment of the Health Products and Technologies Unit (HPTU) in 2021/22, which is the mechanism through which the County provides oversight & coordination for HPT procurement & supply chain management. The HPTU also provides the relevant structures to ensure that all HPTs are well planned & budgeted for, correctly procured, stored, and distributed.
- Procurement, storage, and distribution of HPTs through the central medical store to health facilities.
- Coordination of health facility HPT orders and supplies.
- Monthly consumption reporting and ordering of program commodities, i.e., ART (ARV's & RTK's), TB medicines & diagnostics. Coordinating quarterly ordering of Malaria commodities (medicines, mRDT's & LLIN's) and FP commodities.
- There was an 80% average level of stocking of essential tracer medicines in county health facilities for the better part of the reporting period.
- Provision and sound distribution system for non-pharms, especially the PPES, to healthcare workers, during and after the COVID-19 pandemic.
- Commodity management training for 60 different cadres of healthcare workers in various health facilities across the County.
- Provision of oversight and mentorship for good commodity management through supportive supervision meetings and commodity security committee meetings.
- Appointment of sub-county commodity security TWG meetings (FY 22/23).
- Carrying out data review meetings for commodity data generated from health facilities.

- Automation of inventory management starting with level 4 and level hospitals given that most facilities had manual inventory records, i.e., bin cards (approx. 70% available and updated).
- Renovation of pharmacies / stores in Lari, Rironi and Limuru
- Distribution of storage equipment and devices to facilities through support from UoN CRISSP;
 Pallets (42 facilities including central medical store), room thermometers (10 facilities),
 Shelving (2 facilities i.e. Lari & Igegania L4 hospitals).
- Offering quality HPTs within the county health care system through pharmacovigilance (PV) activities, which included submission of adverse drug reactions (ADR), poor quality medicines (PQM) reports, medication error reports & adverse events following immunization (AEFI's).
- Training of the CASIC TWG members & development of CASIC work plan for the County
- Capacity building on infection prevention control (IPC) and antimicrobial stewardship under the Antimicrobial Resistance Multi-partner Trust Fund (AMR-MPTF) project at Kiambu Level 5 hospital.
- Carrying out antimicrobial Stewardship (AMS) activities, including the IPC baseline survey at Kiambu level 5.
- Assessment of IPC and commodity management of COVID-19 vaccination at Thika level 5, Kiambu level 5, Gatundu level 5, and Ruiru level 4 hospital.

4. Preventive and Promotive Health Services

Under this programme, the department managed to reduce preventable health conditions across the county through;

- Conducting of 106% deliveries through skilled birth attendants; where the target for skilled deliveries conducted surpassed the target by 6%. Further, 40% of women of reproductive age were provided with family planning out of an annual target of 50%. It is worth noting that although there were 45.2% of facility-based maternal deaths, 100% of all maternal deaths were audited.
- Provision of 33.5 % LLITNs to targeted pregnant women.
- HIV/TB Support Supervision was done in 18 Health facilities to pregnant mothers receiving Preventive ARVs to reduce risk of MTCT. There was also provision of 99.2 % HIV + pregnant mothers with preventive ARVs.

- Training of 24 HCWs (2 per Sub County) as mentors and trainers through the RH program. There was also training of at least one HCW per facility in the 108 GoK facilities to act as service providers for cervical cancer screening and treatment. This is critical in ensuring the county screening target of at least 60,000 women per year is met. The training was achieved through the support of the National Cancer Control Program in partnership with the Clinton Health Access Initiative.
- Enrolling of 25,649 pregnant women in the SMS platform against a target of 8,810 in partnership with Jacaranda Health. The platform provides women with health information related to pregnancy and childbirth, such as the importance of attending antenatal clinics and hospital delivery, pregnancy danger signs, etc.
- Provision of iron/ folate supplements to pregnant women. The program surpassed the set target of 80% and achieved 87.9 %. Further, 70.8 % of pregnant women are attending 4 ANC visits.
- Provision of BEOC, CEOC, and Maternal audits/deaths conducted with supplements provided to pregnant women. All facilities are now providing BEOC and CEOC.
- Provision of BCG dose to 100% of children. Further, 91.1% of children have received the DPT/Hep+HiB1 dose.
- The CHU coverage moved from 62.7% in FY20/21 to 64.2% in FY 21/22, and as of FY 22/23, it is at 68.1%
- On access to community and facility-based health care services, 329 CHUs were established with a total of 3,281 CHVs where 2,881 CHPs have County appointment letters. It is worth noting that Community Action Days are need-driven as per CHU.
- Passing different health messages, especially those concerning community health to the community members through routine household visits by the CHVs. The visits also helped support the Community-based COVID-19 HBC program.
- Scaling up of adequate sanitation facilities in school during routine school health visits. Adequate sensitization carried out before the establishment of the school clubs. Training of club members and follow-up is ongoing.
- Training of adolescent champion in two groups of 50.
- Carrying out deworming during the Malezi Bora weeks & school health programme.
- Screening of 39 cases of measles and other outbreaks.
- All AFP cases investigated and cases geocoding, case validation, and 60 days follow-up done.

- Establishment of contingency plan for emerging outbreak preparedness and response.
- Establishment of county Public Health and Emergency Operations Centre at Thika Level 5 RHU building
- Establishment of 3 active and operational county/sub-county rapid response teams.
- Carrying out monthly surveillance meetings on leadership and coordination.
- Sensitization of support staff from five sub counties on medical waste management and IPC.
- On the HIV program, All HIV Identified mothers at ANC were initiated on ART, 100% of exposed Infants were issued with Prophylaxis, and all those exposed to HIV Acquisition and seeking help were given PEP. Site Assessments for Methadone DFD sites were done, and regency training for Sub-county ToTs and Activation of 4 Facilities also carried out.
- CQI Training for the Sub-county CQI Coaches and County TWG Clinical Meeting was carried out.
- On the TB program, all persons diagnosed with TB were notified and put on treatment, with 94% of the patients diagnosed with TB having an HIV test done. Further, 80% of the coinfected patients (TB-HIV) were put on ART, and TB preventive therapy was provided for eligible persons of the contacts. Monthly review meetings for drug-resistant patients was conducted.
- On HIV interventions, there was strengthened synergy towards community HIV awareness, identification, and referrals.
- On teenage pregnancy, HIV, and SGBV, community practice and charters of different CPS was done. CPS includes the bodaboda CP, maisha youth, male champions, and teenage mothers.
- On the Malaria program, the department Conducted joint malaria supervision for all the facilities in 5 Sub Counties supplied with LLINs and improved the reporting rate of the various Sub Counties regarding LLIN management, with Gatundu North leading at 100%. All the health facilities in the 5SC received LLINs as per the orders done.
- To ensure Strengthened community health services, action days increased from 2,139 in 2020/21 to 2,447 in 2021/22. 937 community dialogue days were held in 2021/22 while CHV reporting increased from 2,956 in FY 2020/21 to 3,408 reports in FY 2021/22.
- In environmental health, water, and sanitation, there was certification and licensing of 11,054 and 23,752 food premises in 2020/21 and 2021/22 respectively. Medical certificate of food

handlers increased from 24,667 in 2020/21 to 43,830 in 2021/22. Food sampling dropped from 484 in FY 2020/21 to 257 in FY 2021/22. Mosquito vector breeding sites destroyed dropped from 959 sites in 2020/21 to 563 sites while jigger cases treated dropped from 184 in FY 2021 to 68 cases in FY 2021/22 respectively.

iii. Constraints and challenges in budget implementation and how they are being addressed

- Inadequate funds for health; more funds should be allocated to the department to ensure that it achieves its objectives in time
- Inadequate stocks of health commodities and products due to inconsistent commodity supply at the national level: more funds should be allocated to allow purchase of buffer stock.
- Sub optimal digitalization of services and coverage of ICT infrastructure within the sector; this should be prioritized because there are a lot of benefits both direct and in direct in the optimal use of ICT.
- Rising trend of Non-communicable diseases (NCDs) such as cancer, hypertension, heart diseases and diabetes exerting pressure on the health systems.
- Severe human resource for health shortage; many officers are exiting the service through retirements, deaths, resignations, search for greener pastures.

iv. Major services/outputs to be provided in MTEF Period 2023/24-2025/26 medium term budget

- To improve service delivery, the department will procure and service vehicles, supervise health facilities, train CHWs and staff as well as construction/completion of various health facilities.
- The department under preventive and promotive services will provide Primary Healthcare through Universal Healthcare Coverage (UHC) and community strategy; environmental health services, reproductive health services; nutrition; communicable and non-communicable conditions prevention health promotion and education. It will also conduct disease surveillance and response; malaria and tuberculosis prevention and control, research policy development and management, HIV/Aids prevention, referral health services and curative services at Level 1, 2 and 3 structures.

- The Department is also mandated to ensure curative services and rehabilitative services are provided within the county. These services are specialized in nature and are offered in level 4 and 5. They include: diagnostic services, rehabilitative services, and specialized reproductive services, emergency medical services-HDU & amp; ICU, Referral Services; Treatment of Communicable and Non-communicable conditions, pharmaceutical services, mental health services and management support.
- The department under County pharmaceutical Services will ensure that health facilities are provided with medical supplies, essential pharmaceuticals, laboratory services, nutrition commodities and public health commodities

PART D: Strategic Objectives

407300000 Roads, Transport, Utilities and Public Works

PART A. VISION

A regional leader in quality, sustainable and environmental friendly infrastructural development

PART B. MISSION

To provide and regulate quality technical service in Roads, Transport Public Works and Utilities

PART C. PERFORMANCE OVERVIEW AND RATIONALE FUNDING

i. Departments mandate.

The Department of Roads, Transport, Public Works and Utilities consists of four directorates namely: Roads, Transport, Public Works and Utilities. The department plays a key role in planning, development & maintenance of county roads, transport, infrastructure and all County public works buildings. The department also manages public transport and bus parks; install county lighting, promote renewable energy, prevent fire and emergency, and disaster response. Its main objective is to provide safe, efficient and effective transport infrastructure and services whilst achieving associated benefits and meeting the goals of environmental integrity, social equity and economic efficiency.

ii. Performance Review for FY 2020/2021- 2022/23

During the MTEF period 2020/2021- 2022/23, the department constructed 5 km of major roads, maintained and graded 410 km of roads, which entailed grading, bush clearing and drainage works as well as rehabilitation, and construction of 620 km of roads. Additionally, the department constructed 3 bridges and 12 foot bridges, and installed 5 flood masts and 230 street lights.

iii. Constraints and challenges and how they are being addressed.

In the MTEF period 2020/2021- 2022/23, the department has faced several challenges including; Inadequate funding; Provision of adequate funding. Huge pending bills which affect the allocation of funds for development; Pending bills has become an impediment to development in the county. Therefore, the County should clear the pending bills in phases so as to give room for more development works and reduce contractors/Suppliers' apathy in doing business with the County due to non-payment. Inadequate funding on maintenance of machinery causing frequent breakdown of heavy equipment; provision of adequate funding for proper maintenance of county equipment and machinery increases efficiency and effectiveness in service delivery. Inadequate technical capacity especially fire men/women; More Training of firefighting officers and other staff should be given priority so as to increase the capacity of disaster response and management. Congestion in towns centres due to inadequate busparks; Construction of more modern bus parks and rehabilitation of the existing ones as well as designing and construction of bypasses will also ease congestion. Encroachment of roads reserves; Proper marking of road reserves and enforcement.

iv. Major services and outputs to be provided for in the MTEF budget period 2024/25-2026/27

During the MTEF period 2024/25- 2026/27, the department has planned to develop service charters, and capacity build the staff in various cadres. In addition, the department will construct different roads, non-motorized roads, motorable bridges, bus parks and parking bays and footbridges. The department also plans to maintain roads to motorable status, storm water drains, non-motorized walkways and bridges. The department will further carry out installation and maintenance of flood masts and streetlights, as well as construction and equipping fire stations.

PART D. STRATEGIC OBJECTIVES

This section outlines the programmes of the RTPWU department, and their respective strategic objectives starting with the highest to the lowest priority.

| Pr | ogramme | Objectives |
|----|------------------------------|---|
| • | Administration, Planning and | - To facilitate efficient service delivery by the Department |
| | Support Services | |
| • | Infrastructure Development | - To develop quality, reliable, sustainable and resilient infrastructure to support |
| | and Maintenance | economic development |
| • | Fire Rescue and Disaster | - To provide effective, efficient and timely disaster response services |
| | Management | |

Table RTPWU programmes and their Objectives

407500000 ADMINISTRATION AND PUBLIC SERVICE

PART A: Vision

A people-centered, transformative and accountable administration and public service.

PART B: Mission

To provide effective and efficient services through guided formulation and implementation of regulatory framework.

PART C: PERFORMANCE OVERVIEW AND BACKGROUND FOR

PROGRAMME FUNDING

Department Mandate

Administration and Public Service department comprises of six directorates namely: Administration, Alcoholic Drinks Control, Enforcement, Monitoring & Compliance, Betting & Gaming Control, Human Resource Management and Human Resource Development. The staff in this department largely comprises of administrators, human resource officers and enforcement officers.

The department has a role of providing services to the public as well as ensuring there is good coordination of various structures within the county. It is responsible for efficient management and development of the human resources in the county.

Further, the department ensures enforcement and compliance of the public to various county and national laws, curbs irresponsible and illegal betting and gaming, curbs alcohol & substance abuse and offers rehabilitation services to persons' dependent on alcohol.

Department Performance Review

• During the period, the sector made some key achievements which include improved service delivery through; coordination of all departmental activities, undertaking of all payroll related activities, provision of medical insurance cover to the staff. deployment of staff of various cadres in the sub counties, carrying out capacity building on various

members of staff, processing of staff benefits, staff promotions and medical cover. The department also purchased uniforms and equipment for various officers including; sub county administrators, ward administrators, gaming inspectors and enforcement officers for better service delivery.

- The department ensured reduced incidences of irresponsible and illegal betting and gaming through, licensing of various gaming and gambling premises which added to more county revenue, field inspections and crackdown against illegal and unlicensed premises and drafting of the Kiambu County Betting, Lotteries and Gaming Act, 2023.
- The department ensured better service delivery through, introduction of traffic Marshall services, provision of effective security/guarding(sentry) services for county government premises, control of proliferation of illegal liquor within the county, control of hawking activities in urban areas, enforcement of revenue collection and enforcement of all county laws and generally maintaining law and order within the county jurisdiction.
 - The department ensured reduced incidences of alcohol and substance abuse through; inspection and licensing of various alcoholic drinks outlets which added to more county revenue, crackdowns of illicit brewers in various sub counties and engagement with major stakeholders in alcoholic drinks business to help in the fight against illicit brew.

Challenges Experienced

- Budgetary constraints
- Pending Bills which absorbs the largest part of the departmental budget and also makes some contractors unwilling to continue with the development projects.

To address these challenges the department has resorted in various measures which include;

- Prioritizing of pending bills in the budgetary allocation to have them paid.
- Enhancing of more revenue streams to supplement revenues received from the county government and mitigate budget cuts.

Major Services to be provided in the MTEF period FY 2024/25 – 2026/27

In the FY 2024/25 - FY 2026/27 MTEF period, the department has planned to improve service delivery through; construction, renovation, and equipping of offices, construction of ablution blocks, mainstreaming of climate change in the sub county offices, capacity building of staff and processing of staff medical cover and welfare benefits. The department will also focus on alcohol and substance abuse reduction through; crackdowns, awareness forums and rehabilitation services. Additionally, the department will ensure enforcement of county laws through rebranding of the inspectorate unit and ensure responsible betting and gaming through awareness forums, crackdowns and licensing of betting and gaming premises.

| Programme | Objective |
|--|--|
| General Administration, Planning and Support | To provide quality administrative services for effective and efficient |
| services | service delivery. |
| Alcoholic Drinks control and Rehabilitation | To create awareness and reduce Alcohol, Substance Abuse and |
| | offer rehabilitation services |
| Human Resource Management and Development | To develop and maintain an effective and efficient county |
| Services | workforce |

407700000 AGRICULTURE, LIVESTOCK AND COOPERATIVE DEVELOPMENT

PART A: Vision

A Healthy, Food secure and Prosperous County

PART B: Mission

To promote sustainable agriculture through capacity building on agricultural productivity, food and nutrition security, value addition, marketing, extension and infrastructure and cooperative development.

PART C. Performance Overview and Rationale Funding

Mandates of the Department

Agriculture, Livestock, and Cooperative Development comprises five directorates: Crop and Irrigation, Agribusiness and Marketing, Livestock production, Veterinary services, Fisheries Development, and Cooperative Development.

The department has a mandate of formulating, implementing, and monitoring agricultural; legislations, regulations, and policies; provides and oversees agricultural extension and farmer advisory services; supports agricultural research and technology delivery; facilitates access of farmers to; quality inputs, produce, and products, promotes; management and conservation of the natural resource base for agriculture and management of agricultural training centers (ATC) and agricultural mechanization stations (AMS).

The department also undertakes the management and control of pests and diseases, promotes crop and livestock value chain development, food safety, aquaculture development, agro-processing, and access to market for agricultural produce, and develops and manages fisheries resources.

Further, the department aids in mainstreaming of good corporate governance and settlement of cooperative disputes, promotion of co-operative societies, registration and cooperatives training, provision of audit services, enforcement of audit requirements and standards, and promotion of risk assessment and management in co-operatives

Departmental Performance Review Including Major Achievements for FY 2020/21 – 2022/23 During the MTEF period 2020/21-2022/23 the department made some key achievements that include;

• Developed animal welfare bill and food safety and agro ecological farming policy, which are in draft form.

- Procured and distributed; 528.22 tons of certified seeds, 60,000 Hass avocados, 1,320 tons of coffee and food fertilizer, and 138,000 indigenous one-month-old chicks to farmers across the county in collaboration with Kenchic and FAO.
- Trained; 204,773 farmers on modern farming technologies, 12 staff on Tuta absoluta in tomatoes, 780 farmers/agri-entrepreneurs on value addition technologies such as banana value-addition, yogurt making, and vegetable preservation, 2625 farmers and 120 staff on coffee production management and value addition, 160 service providers and value chain actors (VCAs) on entrepreneurship, 3,815 producer groups on entrepreneurship in partnership with Equity Bank and ASDSP program, 100 agro-dealers and 200 farmers on quality inputs, 38,000 poultry farmers on improved poultry production and 41,000 farmers/stakeholders on livestock enterprise. Further, 86 farmers trainings on modern aquaculture technologies were conducted.
- Constructed 70 Km of soil and water conservation structures, 120 small-scale water pans for demonstrations, and installed 120 solar-powered systems under the NARIGP project.
- Completed one value chain Multi-Community Investment (MCI)-Kamwamba irrigation project (MCI)
- Identified 7 climate-smart agriculture technologies, mainly Terraces, Planting fruit trees on contours, healing of gulleys, rainwater/surface runoff harvesting, and planting of cover crops.
- Constructed 3 storage water tanks at South Kanyoni primary in Gatundu North
- Formed and strengthened 13 marketing groups along banana, dairy, avocado, potato, and vegetable value chains
- Linked over 145 farmers to financial service providers.
- Inseminated 48,007 doses of AI across the county through the Free AI program
- Carried out 12 FMD, 4 LSD, and 4 Anthrax vaccination campaigns across the county
- Sensitized 3,200 farmers on drug residues in milk, eggs, and meat to enhance food safety
- Established 19 demonstration centers to enhance aquaculture development
- Equipped 1,700 farmers with modern aquaculture technologies
- Stocked 584,100 fingerlings in selected ponds across the county in collaboration with ABDP
- Held 8 eat more fish field days

Challenges Faced during Budget Implementation.

• Low budgetary allocation

- Accumulated pending bills which affects the implementation of the development projects
- Erratic weather conditions as a result of climate change which affected production
- Inadequate transport to facilitate extension services.
- Understaffing due to retirement of officers.
- Inadequate office space
- Data deficiency which delays planning and policy formulation efforts.

To address these challenges the department has resorted in various measures such as;

- Enhancing of more revenue streams to supplement revenues received from the county government and mitigate budget cuts
- Prioritizing payments of pending bills in the budgetary allocation
- Hiring of staff to replace those who have retired
- Sensitizing farmers on alternative sources of water for irrigation and promote small scale irrigation to supplement rain-fed agriculture as a climate mitigation intervention.
- Collaborating with stakeholders and extension service providers in reaching out to the farmers with extension messages.
- Training farmers on new technologies and emerging technologies to increase production

Major Services/Outputs to be provided in the MTEF Period 2024/25-2026/27 Medium Term Budget

Agriculture, Crop Production, Irrigation & Marketing

Under this section, the major services/outputs to be provided in the MTEF period 2024/25-2026/27 include; Provision of extension service, procurement and distribution of certified seeds and seedlings, procurement and distribution of coffee and food crop fertilizer, support small scale irrigation, as well as upgrading Waruhiu ATC. The department will further promote value addition and ensure production of quality and safe produce. The department will also train farmers on best crop varieties for various Agro-Ecological Zones (AEZ) and Agro-ecological farming, production of fruits, vegetables, herbs and spices best practices for harvest and post-harvest handling and packaging, as well as urban and peri-urban farming.

Livestock, Fisheries and Veterinary Services

Under this section, the major services to be provided in the MTEF period 2024/25-2026/27 include; control and management of livestock diseases through vaccination campaigns,

rehabilitation and equipping of veterinary laboratories, issuing of livestock movement permits and training of farmers on disease control and drug residues in livestock products. The department will complete construction, equipping, inspection and licensing of bovine, poultry and rabbit slaughter-houses. The department will offer A.I services both sexed semen and conventional, procure and distribute piglets and indigenous chicken to farmers, procure and install bulk milk coolers, and avail milk pasteurizers to farmers. Further the department will procure fingerlings and stock them in rivers/dams/ponds, procure subsidized aquaculture kits, equip farmers with modern technologies, and establish/develop aquaculture demonstration centers.

Cooperatives Development

Under this section, the major services to be provided in the MTEF period 2024/25-2026/27 include construction of animal feeds factory, procurement of value additional chain equipment, training of cooperative management committees and cooperatives members, carrying out cooperatives audits, inspections and risk assessments and registration of new cooperatives. The department will also facilitate the formation of cooperatives federations, formation of cooperatives in ASALs and formation of sector specific cooperatives. Further, it will promote good governance, digitize operations in cooperative societies and map cooperative societies

| Programme | Objective |
|--|--|
| General, Administration, Planning and Support | To enhance efficient and effective service delivery |
| Services. | |
| Crop Development, Irrigation and Marketing services. | To increase crop productivity, market access and value |
| | addition |
| Livestock and Fisheries Development and | To increase livestock and fisheries productivity, |
| Management. | profitability and utilization |
| Co-operative Development and Management | To promote and develop the cooperative movement |

407800000 EDUCATION, GENDER, CULTURE AND SOCIAL SERVICES.

Part A. Vision

A dynamic and multi-skilled society with a healthy childhood base, institutionalized gender and disability programs, developed culture and creative industry and functional social welfare systems actively participating in sustainable development.

Part B. Mission

To provide quality education, empower vulnerable groups, mainstream and develop gender disability and promote culture and creative arts development.

Part C. Performance Overview and Rationale Funding

Mandates

- Increase access, equity, relevance and quality to vocational training.
- Increase access, equity, quality and relevance of ECDE services
- Develop safety net programmes to cushion needy and vulnerable members of the community.
- Promote culture and creative arts as resources for socio economic development.
- Promote Gender and Disability mainstreaming and empowerment.
- Promote the welfare of vulnerable children-in need of care & protection.

Performance Review and Achievements for Period 2020/21-2022/23.

The Directorate of Vocational Training held the annual inter VTCs games competitions in 2021. The total enrolment of VTC learners also increased from 4188 in 2020 to 5,295 in 2021, 5,383 in 2022 and slightly reduced to 5,255 in 2023. The Directorate got support from four partners during the period in question. Partnerships included housing finance cooperation which assisted in construction of workshops at Gakoe VTC, Child Fund through Dow chemical's funded building technology shade at Muguga VTC, Fresha Company Donated 6 computers to Gitiha and 5 to Riuki VTCS while Safaricom Foundation donated 10 computers and 4GB router to Gituamba VTC and Partnered with Wabeni VTC for 10 sessions entrepreneurship training for trainees and attachment. To promote the quality of learning in VTCs, the Department also procured and distributed electrical installation training tools, food processing tools, hairdressing equipment, catering, plumbing tools, fashion design, garment making and sewing machines to twenty-two. Fourteen

development projects were completed and four projects initiated. Graduation projects were conducted three VTCs i.e. Nyaga, Kamirithu and Kinoo.

Ablution blocks in 15 VTCs were constructed to improve sanitation. 3,377 trainees in VTCs were certified in the period under review

There were several achievements under the Directorate of Gender and social services. The Directorate held 15 GBV sensitization forums, 12 capacity-building programmes for community leaders on GBV, formed 12 multi-sectoral technical working groups to harmonize GBV prevention and response and initiated the process of establishing one GBV and rescue centre.

To promote the wellbeing of the PWDs, the Directorate also rehabilitated and supported 400 PWDs with assistive devices and food subsidies, conducted 60 capacity-building programmes for women/youth groups/PWDs and other marginalised groups and provided training to 2000 women, youth and PWDs on accessing Government procurement opportunities. Additionally, the Directorate marked key UN Days (International Women's Day, Day of the African Child, International Widow's Day).

The Directorate of social services throughout the period also managed to aid the old and vulnerable groups in the society with foodstuffs and sanitary pads. Community empowerment courses were conducted for women and youth groups in partnerships with USAID Tumikia Mtoto.

98,923 students benefitted with bursary. This increased retention in schools and colleges.

The Directorate of ECDE managed to increase access to learning in ECDEs by increasing the number of pupils by 10% that is from 35,000 learners in 2021 to 38,455 learners in 2023. The number of ECDE centres also from 523 to 524 by 2023. This improvement is attributable to the school feeding programme which ensured learners benefitted, construction of classrooms and renovation of existing ones. ECDE Directorate participated in regional and national music festivals.

To promote cultural, Gender and Heritage values, the Directorate of Gender and Culture held one County music dance and cultural festivals.

Challenges

- Insufficient funding for the Department to meet different programmes and projects financial obligations. The Department will work with key development partners to fill in the financial gaps and request for increase in the ceilings based on the magnitude of activities to be handled.
- International and national crisis like economic crunch. It is important to set up contingency kitty fund to prepare for unforeseen eventualities.
- An upsurge in SGBV cases thus burdening Departmental resources and the existing safe houses. The Department will continue to conduct SGBV sensitization forums to the members of the public.
- An overwhelming number of needy and vulnerable cases whose livelihoods were affected by economic crunch. The Department will continue safety net programmes to the vulnerable so as to provide cushion in difficult times.
- Negative attitude towards vocational training which limits the VTC intake despite the majority in the society lacking any other formal education.

Major Services to be provided in MTEF period 2024/25-2026/27 Medium Term budget VTC Directorate

The VTC Directorate will work to fulfill the following mandates: Establishment and construction of workshops, classrooms, office blocks and ablution blocks in new and existing VTCs, renovation and refurbishment of existing VTCs, procurement of instructional materials, tools and equipment for VTCs, disbursement of subsidized tuition fees in VTCs, establishment of production units and skill inventory units in VTCs, recruitment of new staff and promotion of existing ones, construction of computer labs and connection to internet in VTCs. Additionally, the Department will also: establish innovation and research hubs and seek collaborations with industry partners, provide certifications for Juakali artisans and regular trainees after completion of internships and attachments, establish relevant courses in VTCs and develop relevant policies and bills such as the VTC bill.

ECDE Directorate

In the medium-term budget, the ECDE Directorate will aim at: implementation of the school feeding programme, renovation and refurbishment of existing ECDEs, construction of classrooms and ablution blocks in existing ECDEs, construction of model child friendly ECDEs fully equipped with classrooms, sleeping facilities, feeding areas, ablution blocks and equipped with furniture, learning and play equipment, procurement of learning materials, play equipment and furniture for existing ECDEs. Additionally, the Department will supply ECDE centres with ICT gadgets and connect the centres with internet, recruit new ECDE teachers and promote existing teachers, build capacity of staff and develop relevant policies and bills.

Gender, Culture and Social Services Directorate

The Directorate of Gender, Culture and Social Services will aim at increasing retention of school going children by providing bursary to needy students, rescuing, integrating and rehabilitating street children and vulnerable members of the society, constructing new community social halls and renovating existing ones, constructing rehabilitation centres and holding sensitization workshops on drug and substance abuse and training self-help groups and CBOs.

To enhance gender and culture, the Department will aim at mapping, documenting and establishing cultural resources and museums, rehabilitating, conserving, gazzeting and protecting cultural heritage resources, conducting mentorship and capacity building programmes for performing artistes, women, PWD and self-help groups, SGBV TWG and safe shelter managers, establishing legal and policy frameworks, conducting sensitization on heritage conservation, SGBV/CAAC and children assembly, mobilizing special interest groups to mark key UN days, assessing, rehabilitating and supporting the vulnerable (older people, PWDs, boys and girls) with assistive devices, food subsidies, blankets, diapers and sanitary wear. Additionally, the Department will establish safe shelters and support SGBV survivors, establish lactation and childcare centres, enroll Adolescent Girls and Young Women, teenage mothers and other vulnerable girls in VTCs, recruit additional Directorate staff and promote existing staff.

Part D: Strategic Objectives

| | Programme | Objective |
|---|--|---|
| 1 | General Administration and Support Services | To improve efficiency and effectiveness in service delivery |
| 2 | Early Childhood and Vocational Training Development. | To increase access, quality and relevance in ECDE services and vocational education and training. |
| 3 | Gender, Culture and Social Services Promotion | To promote culture and creative arts and develop gender, disability and Social Protection programmes. |

- Develop talent academies and upgrade the existing stadia in all wards

- Organize sporting activities that involve special groups and people living with
- Youth employment
- Youth empowerment and public participation
- Youth education and training
- Youth health
- Youth crime, drugs and substance abuse
- Clean and healthy environment for the youth
- Youth leisure, recreation and community service

Performance Review.

Some of the key achievements in the department include:

- During the period under review Sports directorate was able to enhance staff motivation, recreation, and support and mold talent, facilitated staff teams to participate in 2021/2022 in Embu and 2022/2023 in Kisumu where the teams performed exceptionally well.
- The department of sports held coach and referee training, where 60 coaches were trained. In addition, the department held a under 19 football tournaments.
- The youth affairs department held a youth fun day on 9th and 10th April 2023, the event was to enhance youth friendly engagements.
- Jijenge program kicked off in FY 2021/22, where it was launched as Jiinue fund. Since May 2022 KCB bank has been able to disburse 227M to 631 applicants.
- The department of communication was able to prepare documentaries for all the departments, highlighting the milestones achieved and the key achievements by these departments. The department also managed to prepare newspaper supplements intended to highlight on the key achievements, a county handbook and a county magazine and produced a documentary that was used during devolution conference in Machakos County in November 2021.

Departmental Challenges

The sector experienced a number of emerging issues and challenges;

- Lack of policies; this has forced the department not to institutionalize its activities hindering progress in case of leadership change
- Delay in release of exchequer which makes the implementation of activities planned for challenging.
- Stalled projects and pending bills

- Inadequate Funding; the department has been forced to take austerity measures due to lack of funds
- Lack of proper infrastructure; the department has been unable to develop international standard sporting infrastructure due to lack of county land in many sub counties.
- Low levels of awareness of the county plans, Acts and policies by the community

Recommendations

The following recommendations are made to improve implementation of sector mandates to achieve the set targets

- Request the executive for increased ceiling to cover all department's budgetary requirement
- Provide better budgetary allocation to improve existing fields and sports grounds
- Prioritize payment of pending bills
- Provide office equipment to aid officers work efficiently
- Provide staff with basic working requirements like stationaries, communication facilities and vehicles.

Major Services/Outputs to be provided in MTEF period 2024/25-2025/26

In the 2024/25- 2026/27 MTEF period, the department under the programme of General administration planning and support services plans to construct/renovate and equip offices, and construct indoor arenas. Through the sports programme, stadiums will be upgraded to national standards, changing rooms and washrooms constructed as well as rehabilitation of playing fields. In addition, the directorate of sports will train inducted managers, referees, coaches and first aiders, train and support players participating in KICOSCA games and inter-county competitions, fully sponsor sports teams around the county, and establish sports academies. The directorate of youth affairs through the youth empowerment programme will; facilitate youth trainings to equip young people with technical skills such as entrepreneurship, marketing skills, value addition etc. It will also train young people on exchange programs, train on government opportunities (AGPO) and skill enhancement programs. In addition, it will provide financing to young people, women and PWDs businesses. Communication directorate will increase awareness of services provided by the County through printing of newspapers and newspaper supplements, purchasing communication equipment, establishing communication desks in various sub-counties, producing documentaries and improving social media presence and coverage.

PART D: Strategic Objectives

| | programme | Objective |
|---|---|---|
| 1 | General Administration and support service. | • To improve service delivery |
| 2 | Youth Empowerment | • To empower the youths in the County by equipping them with skills through development of innovative and youth friendly programs |
| 3 | Sports | • To develop and promote a sporting culture in the County through identification, nurturing sports talents, and upgrading sports infrastructure |
| 4 | Communication | enhancing county public communication |

408000000 Lands, Physical Planning & Housing- Municipal Administration & Urban Development

Part A. Vision

Planned & Managed Land Resource for Sustainable Development

Part B. Mission

To promote an integrated framework of spatial planning and development for the social, Economic well-being and environmental sustainability of the County

Part C. Performance Overview and Rationale Funding

Sector Mandate and Functions

- ✓ Provision and implementation of spatial plans to promote sustainable rural and urban management and development;
- ✓ Development of a GIS/LIS database for spatial data management and determination of property boundaries;
- Provision of efficient land, property valuation and management for effective county asset documentation and rating;
- ✓ Promotion and facilitation of development of decent housing in sustainable environments;
- ✓ Formulation, implementation and review of various policies in the Department
- \checkmark Administration and management of urban areas and cities within the county.

Performance Review.

Land Administration, Survey & Geo-Informatics

During the period under review, the directorate improved land administration and management of the land resource through increased revenue and eased the access to county land data through; Titling programme in Thika informal settlement, Ruiru Kiu Block 6 (Githurai Ting'ang'a) Mwihoko LR/No. 10902/10 & 11, Ndeiya Karai Settlement Scheme. Moreover, the department acquired a modern survey equipment including (The Trimble® TDC150 GNSS handheld receiver) for GIS & Satellite images up to 2cm high resolution.

Housing & Community Development

Under Housing & Community Development, the department was able to provide safe, decent and affordable housing through construction of 40 Two-Bedroom units in Thika Municipality, and renovation of 6 one-bedroom rental units in Kikuyu Municipality. The department also facilitated the private sector to construct over 1000 affordable houses in the county. It also provided conducive working environment where it renovated headquarters offices at Red -Nova. To improve the living conditions and end land disputes in the informal settlement, the department facilitated surveying, titling and issuance of 30 block titles to over 1000 residents of Umoja Informal Settlement.

Physical Planning

In order to provide an overall spatial framework for the county, the directorate of physical planning notably made the following achievements; Preparation of 150 Part Development Plans (PDPs) for public land, Preparation of Draft Kiambu County Spatial Plan, Preparation of 12 draft Integrated Strategic Urban Development Plans (IUSDP) for Kikuyu, Kimende, Githunguri, Kiambu, Limuru, Gatundu Town, Juja, Ruiru, Karuri, Nairobi-Thika Transport Corridor, Kamwangi, Wangige. The sub sector facilitated development control through processing of 10,000 development applications and enhanced compliance through issuance of 10,000 development notices. Umoja Informal settlement was also completed during the period under review.

Valuation and Asset Management

During the period under review, the directorate has streamlined rating process and improved revenues through the following; Gazettement of the Kiambu County Valuation and Rating Act (Regulations). There was also an increment in annual land rates revenue collection. The County achieved 20,000 new ratable properties into the county rating register. It also identified and verified county assets relating to devolved functions under the IGTRC & CALC reports. Inspection and Valuation of properties for acquisition, court/litigation, rates exemption purposes and validation of valuation reports for the water companies was also carried out.

Municipal Administration and Urban Development

The directorate improved urban infrastructure by creating livable cities. This was achieved through the following; Improvement of urban infrastructure through connectivity that is upgrading of 80km roads to bituminous standards, 50km NMT facilities and 80km of storm water drainage. It also improved security by installing 25 high mast and 1500 solar street lights. The sub sector connected 30Km sewer reticulation, Land scaping & beatification, 2 urban parks, landscaping and beatification in 3 major round about and Solid waste management-Purchase of solid waste equipment's 60 skips, 6 skip loaders, 6 tippers and 6 back loads.

Departmental Challenges

The LHPPMAUD Department has faced several challenges during the implementation period:

- Insufficient Survey equipment
- Delay in data sharing from the Ministry of Lands i.e Lands registries and Survey of Kenya.
- Unreliable electronic development application processing management system (EDAMS)
- Unreliable internet connections.
- Poor coordination and collaboration between departments
- Lack of Personnel Protective Equipment (safety helmets, high visibility jackets) for Department field officers
- Suspension of the new rating regime via executive order
- Implementation of a system that is not comprehensive in regards to property rating data
- Encroachment on road way-leaves, delay in relocation of Utility services in projects implementation
- Lack of proper mechanism for handling complains and dispute from Project Affected Persons (PAPs) leading to delay of dispute resolutions.
- Delayed response to requests from other Government agencies where there issues of overlap of scope of works (e.g. KENHA, KERRA, Nairobi Water & Sewerage Company, etc.)
- Inadequate civic education on government policies and programme
- Increased pending bills affecting budget process
- Inadequate office space in the sub counties
- High cost of building materials affecting social and affordable housing

Mitigation Measures

- Convene regular consultative meetings with other Government and Regulatory agencies to ensure proper coordination and management of projects.
- Have established Grievance Redress Committees(GRC) mechanisms to resolve complaints from Project Affected Persons(PAPs)
- Have extended project duration for contracts not completed within initially planned timeframe.
- Acquired Personnel Protective Equipment (safety helmets, high visibility jackets) for Department field officers.
- Request for additional budgetary allocation to meet development need

Major Services/Outputs to be provided in MTEF period 2024/25-2025/26

In the FY 2024/25 - 2026/27 MTEF period, the department intends to implement six programmes namely; General Administration,

planning & amp; support services, Land Administration Survey and GIS, Housing & amp; Community Development, Physical planning, valuation & amp; Asset management and Municipal Administration & amp; Urban development. To improve service delivery, the department intends to construct, equip and maintain offices, motivate and appraise staff, and service vehicles. It will also survey and map public land, issue title deeds, resolve land disputes and review boundaries, digitize land records and procure modern survey equipment. Further, the department will ensure sustainable urban growth and development through; upgrading of informal settlements and county residential houses and construction of housing units under affordable housing programmes. In addition, the directorate of housing will prepare county housing bills and regulations, and County Fiscal Strategy Paper construct official residences for the; Governor, Deputy Governor and the Speaker. To provide a spatial framework for the county and guide development, the directorate of physical planning will prepare Part Development Plans (PDPs) for market centers and other public lands, and zoning plans. It will also conduct valuation and capture new properties. Under municipal administration and urban development, the directorate will upgrade municipal infrastructures through construction of roads, storm water drainage and sewer systems, installation of street lights, street beautification, public parks and amenities, rehabilitation of bus parks, construction of fire stations as well as procurement of disaster management equipment.

408100000 TRADE, INDUSTRIALIZATION, TOURISM AND INVESTMENT

Part A. Vision

A strategic leader in transforming Kiambu County as the preferred County of choice for Investment in Trade, Tourism and Industrial development.

Part B. Mission

To promote Investments in Trade, Tourism and Industrialization by providing an enabling environment for sustainable socio-economic development.

Part C .Performance Overview and Rationale Funding

i. Departments mandate.

The mandates of the TITI department are Formulation and oversight, administration and enforcement of policies. Facilitate and enhance the ease of doing business in Kiambu County. Promotion of fair-trade practices and consumer protection. Promote growth of micro, small and medium enterprises. Promotion and oversight of the development of special economic zones and industrial parks. Promotion of value addition. Enhance business innovation and incubation. Promotion and development of the cottage industries. Conducting industrial training and capacity development. Development and promotion of tourism. Marketing Kiambu as the destination of choice for local and international tourists and, co-ordinate and facilitate investments in the County.

ii. Performance Review for FY 2020/21- 2022/2023

During the MTEF period 2020/21-2022/23, the department completed the construction of 18 new bodaboda sheds, renovated 6 markets and constructed 5 ablution blocks in a bid to promote trade. The department also successively conducted 12 market committee elections and resolved 4 market conflicts. Additionally 17,108 weights, 8,248 weighing instruments and 3,596 trade-measuring instruments were verified and stamped. Out of the verification exercise, KShs. 12,452,910 was collected as verification fees. To promote industrialization and entrepreneurship, the department completed the construction of two modern kiosks (20 stalls). The department also trained and capacity built over 48 MSMEs groups on entrepreneurship skills and further trained 560 MSMEs owners on value addition skills. To promote tourism the department completed the construction of 8 public washrooms at Mathore viewpoints and identified 5 new tourism attraction sites for documentation and marketing. Further, the department collected KShs 2,561,581 as revenue from

tourist attraction sites. To promote cooperatives the department trained 1,286 cooperative members, 592 cooperatives committee members and participated in 26 cooperatives sensitization forums. The department also carried out 54 risk assessments, 29 inspections and audited 388 cooperative societies generating KShs 6,587,300 as revenue to the County government.

Constraints and challenges and how they are being addressed.

The department faced the following challenges during the implementation period under review 2020/21-2022/23.

- Low adoption of modern technology, e.g., under-utilization of online marketing opportunities and low use of ICT in the sector, adoption of modern technology/ ICT needs to be enhanced to utilize online marketing opportunities.
- Influx of sub-standard, counterfeit and contra-band goods 89 2024 County Fiscal Strategy Paper which caused the local producers to face unfair competition.
- Lack of storage for perishable products in the markets, cold storage rooms should be installed in modern markets to prevent the wastage of perishable goods.
- Inadequate budgetary allocation to cater for the planned projects and activities, more funding measures should be explored to supplement inadequate resources for the department including engaging development partners. ;
- Lack of a workshop for trade measures verification and a store to keep seized sub-standard goods in the weights and measure section.
- Under-developed tourism and inadequate marketing of the tourist attraction sites has also slowed down the growth of the tourism sector in Kiambu County.
- There has also been challenges of good governance in cooperative movement which slowed down the growth momentum in the Cooperative sector as well as the collapse of some cooperatives societies

iii. Major services and outputs to be provided for in the MTEF budget period 2024/25-2026/27

In the 2024/25-2026/27 MTEF period, the department plans to construct and renovate markets, install cold rooms in the market, construct market ablution blocks and bodaboda sheds, link traders

to export markets & e-commerce, issue business licenses, verify trade measurements, and hold legal metrological awareness forums. In addition, the department will establish; smart business centers, industrial parks, cottage industries and incubation/start-up centers, hold trade exhibitions and expos, and create circular/green economies to promote recycling. It will further construct; modern Juakali sheds, prototype modern kiosks, car wash stations and shoe shiner sheds. Additionally, the department will establish Kiambu County people's bank and capacity build MSMEs through the Kenya Small Business Development Centers (KSBDC) Programme. The department will also develop tourism promotional material, upgrade tourist attraction sites and promote modern culture tourism activities. In addition, the department will develop an investor's guide, identify feasible projects for partnership via the PPP framework, hold investment forums/events and formulate investment legislation and policy framework for investment promotion.

Part D. Strategic Objective

This section outlines the programmes of the TITI department, and their respective strategic objectives starting with the highest to the lowest priority.

| | Programme | Objective |
|---|--|--|
| 1 | Administration, Planning and Support Services | To improve Service Delivery |
| 2 | Trade Development and Promotion | To promote and develop trade |
| 3 | Industrial and Entrepreneurial Development | To promote industrial and entrepreneurial development in the County. |
| 4 | Tourism Development and Promotion | To develop and promote tourism in Kiambu County. |
| 5 | Investment Development and Promotion | To develop and promote investment opportunities in Kiambu County |
